Message from the Past President

Dear Members:

During the November 1990 Board meeting, new officers were elected by the board in accordance with the By-Laws of the KJA. Joseph Moussa was elected President; Maurice Pessah, Vice President; Joe (David) Moussa was elected as a new board member and Secretary. Abraham Massuda remains as the treasurer of the KJA. Jacob Pessah was also elected as a new board member. Congratulations to the new officers and board members. Please give your support to the new President and board members.

I have been the President of the KJA for over four years and Vice President for two years. During that period many achievements have been accomplished. Some of these accomplishments were: Conducting Shabbat services on a monthly basis; scheduling a Purim party, picnic, and summer camp for youth as annual events; publishing the KJA bulletin (I hope this will continue on a more regular basis); the purchase of a house that will become the center and house of prayer for the Karaite Jews; support the publication of Mourad El-Kodsi's book, The Karaite Jews of Egypt; and establishing funds for the needy and education.

These accomplishments could not have been achieved without your help and support. Those who helped and volunteered are too many to mention. However, I would like to thank the KJA board members for their support and encouragement over the years. Also Elie Massuda and Emiel Kheder should be recognized because their names were inadvertently left out from my previous President's Message. They were instrumental in locating and encouraging the KJA to purchase the house.

I wish the new president and officers of the KJA the best of luck. May G-d give them the strength and wisdom to serve the Karaite community to the best of their ability.

Joe Abel
Past President

A Dream coming true!

Our Temple!

thanks to your contributions we have finally purchased a property which will become our place of prayer. Its a house on a large lot located at the corner of Kirkham & 42nd Avenue in San Francisco. We are currently waiting for the city to approve a variance which will allow us to remodel and use the property for prayer and religious purposes. ***Dear members, this challenging Jewish endeavor offers a unique opportunity to provide a bright future for our Karaite children. We urge you to open your hearts and donate very generously.*** We need help from every Karaite and no donation can be too small for this cause. It is our earnest desire to finish the remodeling which would turn the property to a spiritual asset for our descendents.

Dear KJA Member,

December 29, 1990

We would like an opportunity for single Karaite men and women, of 18 years and older, to enjoy a week vacation in the Lake Tahoe/Donner Area. Tahoe Donner is located in North Tahoe near Truckee, California.

We are extending this invitation to our members in France, Canada, and the U.S.A. It will be a week filled with many activities such as swimming, tennis, hiking and sight-seeing. You may also enjoy the amenities of the beach club where a sandy beach precludes fishing, sailing, row boating, and canoeing.

The dates are from **Monday August 5th to Sunday August 11th, 1991**. Total cost is only \$200 (Balance subsidized by KJA) and includes transportation, lodging, Kosher food and entertainment.

You may want to plan your vacation earlier by coming to the Bar Mitzvah of Remy and Joe Pessah's son, Jacob, on **Saturday August 3rd**. In addition, the annual KJA picnic will take place on **Sunday August 4th**. You are very much welcome to attend these two occasions.

We understand that some will be coming from a far distance, we can arrange for airport transportation and lodging needs. You may also stay additional week(s) at a fellow Karaite home.

Should you have any questions or wish additional information, please call either Remy Pessah at (415) 941-2115 or Joe D. Moussa at (415) 566-4957.

Truly yours,

Joe D. Moussa • Remy Pessah

Stop The Desecration of a Jewish Cemetery

The 1000 year old Basatin Jewish cemetery in Cairo, Egypt is in danger of being destroyed by the construction of a road through it by the Egyptian government. It is the final resting place of children of Moses Maimonides and other renowned leaders of the Jewish people.

Congressman J. Solarz met with Dr. Osama Al-Baz director of political affairs of Egyptian President Hosni Mubarak and the Egyptian Jewish community in New York. Dr. Al-Baz agreed to a delay in construction at the cemetery to determine the costs of re-routing the proposed highway so as not to disturb the cemetery. If we can achieve an outpouring of support from our congregates by-writing to Egyptian President Mubarak and to our congressman we can produce a positive result. **Sample Letter**

His Excellency President Hosni Mubarak

Greetings, Peace and Blessings!

We have been aware that the Egyptian government plans a highway that will traverse through the old Jewish cemetery of Al Basatin in Cairo.

This cemetery has existed for at least 1,000 years. Many great rabbis and honorable men and women are buried there.

We know that all Arab nations have always requested and honored all religions. Please grant our request to stop the desecration of this cemetery. Plans to reroute this road and bypass the cemetery have been sent to Minister Kafra Please study the plans and reconsider the layout of this highway.

Sincerely

To Whom it May Concern:

My grandfather, Simon Cherkez was a Kariate Jew born in Russia about 1890. He died during the Russian Revolution after graduating engineering school and some study in Germany.

In 1923 My Grandmother and Mother came to America and lost all contact with my grandfather's family. They both passed 2 years ago.

Recently I found there are many Kariates with the CHERKEZ name in Turkey and had hoped to go there in the Spring to investigate further.

However, I would like to perhaps find Kariate Jews in America with this name (CHERKEZ).

Is there a possibility you can publish the information I've given in the RJA Bulletin or direct me to some other publication to help me in this investigation into my Kariate roots?

Sincerely-
